Defendant's Certificates & Transcripts

On a positive note

Regardless of all the negative things that have happened while have been incarcerated, I have used this time for personal growth.

While at MDC – Brooklyn I obtained several “Jobs” and have listed them with descriptions below:

1. **Recreation aid** – Assist with the development of programs, games and contests. Teach, lead and implement training courses to certify and educate inmates. Maintain proper inventory records, provide feedback to the Officer in Charge of recreation of the condition of programs, equipment and to document and address all safety concerns.

I was awarded an exemplary award for this work.

2. **Suicide Watch Companion** – Monitor inmates in crisis, write reports every 15 minutes, talk with inmates, report any emergencies to mental health. I have logged over 500 hours of service for other inmates.
3. **Unit trusty** – Clean inside and outside of the unit.

Other that working, I have furthered my education and joined several organizations listed below:

1. Completed over 27 self-help programs, 15 recreational programs, and 11 educational programs.
2. “Aleph Jewish Org” completed all their courses that they sponsor. I received a paralegal certificate with an advancement in Criminal Justice and Immigration Law.
3. With being housed in K-8-1 PC pod, I was mentored by ex-police officers, ex-lawyers, and politicians in law.
4. 60% of my income has went to non-profit organizations such as: CBIV, Magen David Adam, Robb School Memorial Fund (assists victims of school shootings), Assemblies of God World Missions, National Center for Missing and Exploited Children, Save the Children U.S. Headquarters.

Since being transferred to Essex County Correctional Facility I have also completely many educational courses and work details such as:

1. Trust – Clean, assist inmates with their tablet issues, make food trays to male and female inmates, clean biohazard/bodily fluids, and collect garbage. 2-D-1 unit is a SHU/IPC unit for males and females all locked in 22-24 hours per day. I have spoken to some of these inmates, some whom have PhDs or Masters Degrees, but because of drugs are now all skin and bones. It’s sad seeing young men and women lose their lives, as no one sees what really happens here behind these walls.
2. Completed over 350 hours of course work via telemate academy, created by Cypherworx, INC. with accreditation provider of Callborarnation (CEU’s). Accreditation number 54611802-2
 - a. Essex County Correction Courses, Compliance and human resources.
 - b. Life skills (viapath)
 - c. Professional Development & safety
 - d. Tech. certifications

Receiving a total of 26.42 total CEU’s.

3. Khan Academy – I have studied: The Constitution, Bill of Right, and the Modern U.S. Supreme Court Privacy and civil liberties courses.

- a. U.S. Supreme Court Justice – Anthony Kennedy on Civil Liberties and privacy.
- b. U.S. Supreme Court Justice – Ruth Bader Ginsburg on Civil Liberties and privacy.
- c. The First Amendment – by Erwin Chemerinsky, Dean of Berkeley Law, and Michael McConnell, Director of the Constitutional Law Center at Stanford Law School.
- d. The Second Amendment – by Alan Gura esq. and Adam Winkler, professor of Constitutional law (UCLA)
- e. The Fourth Amendment – by Professor Tracey Mears, Yale University and Orin Kerr, George Washington University
- f. The Eight Amendment – by John Stinneford, University of Florida, Levin College of Law, and John Bessler, University of Baltimore – School of Law and Georgetown Law.
- g. The Fifth Amendment – by Donald Dripps Warren, distinguished professor of law at San Diego School of Law.

- i. Miranda v. Arizona – by Jeffrey Rozen, President and CEO of the National Constitutional Center.
- j. The Fifth Amendment by Paul Cassell professor of criminal law at University of Utah School of Law.

I have also paid for some programs and education myself:

1. Self-awareness
2. Biological Blueprint
3. Mindset Makeover
4. First Reform Self Mentorship Program
5. Getting out by Going in, INC.
 - a. Insight Development – my life story
